

The BoQootie Catcher - The Great Outdoors

1 Why did the donut go to the dentist?
To get a filling!
(We love filling up at these two magnificent bakeshops)

2 What did the kayakers say to each other?
That was quite the oar-deal!
(Two spots to get you started)

3 If you like donuts the size of a human head, Wannamaker's is the place for you. If you like lots of flavour options, cupcakes galore and waffles, go to Glazed and Confused.

4 The water-front pop ups are coming to Belleville this summer! Check them out at Riverside Park. Opening Friday, June 7th for the summer.

5 It's making a come-back! Bowling in the BoQ has up to 40 lanes to choose from. Club Med in Quinte West or Quinte Bowl in Belleville. Fun for all and all for fun!

6 Why did the cabbage win the race? Because it was ahead! They went on strike! (two places twice the fun)

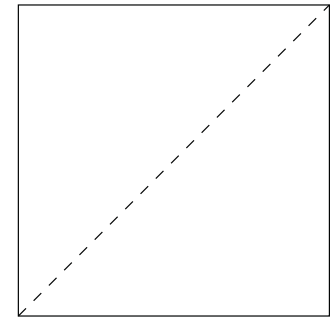

7 From May to October, Front Street Farmers Market in Quinte West is the place to be. Wed. & Sat. from 8am-1pm. Belleville Farmers Market is open Tues, Thurs, & Sat. 8am - 5pm all year long

8 What did the bowling pins do? They went to the bowling centre.

How to play

1st - Get a friend to choose one of the top four squares.

2nd - Look for the number on the square selected and open and close the Cootie Catcher the correct number of times. Open up and down and side to side as you count the number they picked.

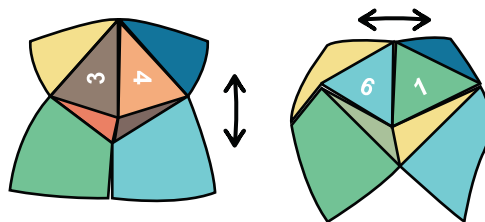

3rd - When you've stopped counting look inside and let your friend choose another number.

PLAY OVER AND OVER AGAIN!!

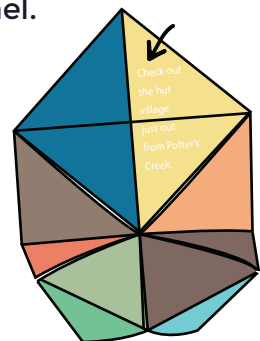

Check out the downloadable version at bayofquinte.ca/tourism/boqootiecatcherdownload.

4th - Count the number they picked while you open and close, up and down and side to side. Then let your friend choose again.

5th - Open the panel with the number they've chosen and read their fortune under the panel.
